The Woodlands, Texas 77380

TO WHOM IT MAY CONCERN

Greetings;

Christ Church United Methodist of *The Woodlands, Texas* is pleased to recommend *Paradigm Construction* as a worthy General Contractor for a construction project. Christ Church completed a 22,000-square foot, \$5,000,000 *Children's Education Center* school facility in April 2018 with Paradigm Construction as our General Contractor. In all aspects, Paradigm exemplified integrity, professionalism and competencies that make them worthy to serve any entity in a building project.

Senior Management was directly involved with our project throughout including regular site visits and participation in weekly construction meetings. Any issues were resolved quickly. There were numerous incidents where Paradigm brought to our attention design suggestions and recommendations that contributed to improvements and cost savings.

Paradigm Construction worked on weekends to stay on schedule without being prompted to do so. Most notably was their diligence in working aggressively to insure foundation preparations in advance of the 2017 Hurricane Harvey. This alone saved us from a 3-week delay. We were deeply moved and impressed by their commitment.

It was a pleasure to work with a group that lives up to their commitments. We achieved our project on time and under budget. It is then with pride, we recommend *Paradigm Construction* as a worthy General Contractor.

Sincerely,

Dr. Daniel T. Hannon
Senior Pastor

DTH/nd
